Recognition: 2014-2015 All State Band and Jazz Band

Board of Education Resolution: 14/15: 75

Presented: April 21, 2015

This year, three District 51 schools will be represented in the Colorado's All-State bands.

Students must pass a live audition by performing two solos in various musical styles and be selected by the All-State Board, read three different scales and sight read a solo for the first time. It is a very rigorous process and very intimidating for musicians. Students have about six months to prepare their pieces for the judge. The All-State Board forms two bands from those who auditioned: the All-State Symphonic Band comprised of 109 students, representing 56 high schools and the All-State Concert Band comprised of 105 students, representing 48 high schools. The students must also meet academic eligibility criteria through their schools. This year, 908 students auditioned for the All-State Bands.

The Board and Superintendent would like to congratulate each of the students for their dedication and hard work.

Board of Education Resolution: 14/15: 76

Presented: April 21, 2015

Three of District 51's high schools can boast of having the finest voices in the state of Colorado with 16 selections made for the 2014-2015 All State Choir. This year **close to 2,000** students auditioned for the choir in October. Just 500 students were selected from around the state for three different choirs, including; Men's, Women's and a Mixed Choir.

To be selected to the Colorado All State Choir the students must go through a rigorous selection process which begins with the student selecting and preparing their own solo. The students must also sight-read both melodic and rhythmic examples, sing various scales and triads without the help of a piano, and they have to sing and identify various music intervals. An individual judge listens to all of this and then evaluates the student's audition. Students also have to be academically eligible through their school. The Board and Superintendent congratulation each of you for your hard work towards this outstanding accomplishment.

^{*} There is a timing issue with cash receipts from the schools. Distribution to the school revenue accounts lags a month behind.

New guidance from CDE requires that Nutrition Services be recorded as a Special Revenue Fund in Fund 21 beginning in 2014-15. Previously, it was classified as an Enterprise Fund in Fund 51. 13-14 revenue and expense in Fund 51 shown for comparison.

Resolution on: Eliminating the Negative Factor

Board of Education Resolution: 14/15: 84

Adopted: April 21, 2015

WHEREAS, when the Colorado voters passed Amendment 23 in 2000, the constitutional provision was designed to help Colorado's public school funding catch up to the national average and to keep it at that level. In contravention of this expressed will of the people, the legislature's invention of the negative factor leaves Colorado 42nd, more than \$2,500 below the national average, in per pupil funding.

WHEREAS, in the 2013-14 fiscal year alone, the negative factor extracted more than \$1 billion from the state's support for public education.

WHEREAS, the negative factor in school finance has required Mesa County Valley School District 51 Board of Education to do the following:

- Decreased teacher/student contact days
- Cut pay with furlough days
- Increased class size
- Significantly reduced staff support and administration
- Reduced benefits through plan design changes
- Cut instructional programs like summer school, tutoring, and at-risk programs
- Defer maintenance on schools, facilities, vehicles, and grounds
- Defer capital replacement on schools, facilities, buses, support vehicles, and technology

WHEREAS, even as the legislature continues to reduce school funding, the legislature has passed multiple significant reform efforts, including, but not limited to the Preschool to Postsecondary Education Alignment Act (CAP4K) (Senate Bill 08-212), the Education Accountability Act of 2009 (Senate Bill 09-163), the Educator Effectiveness Law (Senate Bill 10-191), and the Colorado READ Act (House Bill 12- 1238), without adequate revenue support. These laws impose additional unfunded obligations on school districts already burdened by reduced funding to implement the existing education reforms.

WHEREAS, state revenues are increasing and the legislature has discussed paying off the state payday holiday and replenishing cash funds, the legislature must make it a priority to eliminate the negative factor and return to a sensible and constitutional system of school finance.

Resolution on: Eliminating the Negative Factor

Board of Education Resolution: 14/15: 84

Adopted: April 21, 20
THEREFORE, BE IT RESOLVED, the Mesa County Valley School District 51 Boar of Education calls upon the Colorado Legislature to eliminate the negative factor in 12 education funding and restore, within the next five years, funds lost due to its use date.
Dated this 21st day of April, 2015
Mesa County Valley School District 51 Board of Education
IN WITNESS WHEREOF, we have hereunto set our hands and caused the official seal of said school district to be hereunto affixed this day of 2015.

I hereby certify that the information contained in the above resolution is accurate and was adopted by the Mesa County Valley School District 51 Board of Education on April 21, 2015.
