## Resolution Relating to Financing Certain Capital Improvements and Providing Other Matters Relating Thereto

Board of Education Resolution: 14/15: 101

Adopted: June 16, 2015

WHEREAS, the Board of Education ("Board") has determined that it is in the best interest of the District and its residents to construct and complete certain capital improvements for District educational purposes, including, but not limited to, new facilities for District programs currently offered at R-5 High School and The Opportunity Center; and

WHEREAS, the Board and the District's administration have explored options for financing such capital improvements; and

WHEREAS, the Board desires to explore further the option of execution and delivery of certificates of participation in order to finance such improvements, which option is not binding upon the Board or the District without further Board action and approval of specific financing documents; and

WHEREAS, the District requires the services of an experienced and qualified bond counsel to assist the Board, the District's investment banker/underwriter, legal counsel and the administration in connection with the issuance of certificates of participation and the legal aspects involved in the underwriting of those securities; and

WHEREAS, the law firm of Butler Snow LLP, Denver, Colorado, possesses the necessary experience and qualifications, and the District's Chief Operations Officer has previously worked with Dee Wisor and Kim Crawford of that firm to successfully finance capital projects for Colorado school districts in Eagle and Douglas Counties; and

WHEREAS, the administration recommends that Butler Snow, LLP be appointed to serve as the District's bond counsel in connection with the aforementioned financing matters.

**NOW, THEREFORE, BE IT RESOLVED** that the Board hereby directs the Superintendent to take whatever preliminary actions are necessary in order to pursue suitable certificate of participation financing for the aforementioned capital improvements; provided, however, that nothing herein contained creates any obligation of the Board or the District to execute or deliver certificates of participation, and any further action in connection with the execution and issuance thereof will require future Board action and approval; and

**FURTHER RESOLVED** that the Board hereby approves the engagement of Butler Snow, LLP to serve as the District's Bond Counsel in regard to the potential certificate of participation financing and authorizes the Superintendent to execute the appropriate engagement documents on the Board's behalf.

I hereby certify that the information contained in the above resolution is accurate and was adopted by the Mesa County Valley School District No. 51 Board of Education on June 16, 2015.

Resolution Approving Architect's Contract (Blythe Group + Co.)

Board of Education Resolution: 114/115: 110

Adopted: June 16, 2015

WHEREAS, the Board anticipates that it will require the services of an architect in conjunction with the construction of new alternative school facilities at 2150 Grand Avenue (the "Project"); and

WHEREAS, Blythe Group + co. ("Blythe") is a local architect with experience in school design and construction that the District has previously engaged on a number of other capital projects, and the administration recommends the selection of Blythe to provide architectural and related professional services in connection with the Project; and

WHEREAS, due to the District's past experience with Blythe's professional services, and due to time constraints of the anticipated construction schedule, the Board deems it advisable to waive the competitive bidding requirements of Board Policy DJE with regard to selection of an architect; and

WHEREAS, Blythe has submitted a proposal for professional services that is acceptable to the administration, and the parties have prepared the attached agreement based on the proposal, the same being summarized as follows:

Architect	Services	Fee
Blythe Group +Co.	Provide architectural and related professional services for construction of two new school buildings, one approximately 18,000 square feet and the other approximately 12,000 square feet, and preparation of a site master plan including both new buildings and a future administration building.	\$391,250.00
	*Optional Furniture, Fixtures and Equipment ("FFE") design services for the new buildings.	\$14,500.00* \$405,750.00

WHEREAS, the fee for Blythe's services shall be fixed, regardless of subsequent adjustments or revisions needed in the scope or quality of the Project, unless the total construction cost for the Project exceeds eighty percent (80%) of total Project costs and the excess is attributable to an increase in the scope of the Project requested in writing by the District; and

WHEREAS, the administration recommends approval of the attached contract.

NOW, THEREFORE, IT IS RESOLVED that the architect's contract submitted herewith, with its attached Exhibits A, B and C, be and is hereby approved and the Superintendent is authorized to enter into this agreement on behalf of the Board of Education.

I hereby certify that the information contained in the above resolution is accurate and was adopted by the Mesa County Valley School District No. 51 Board of Education on June 16, 2015.

## **Resolution Regarding the District's Employee Benefit Plan**

Board of Education Resolution: 14/15: 107

Adopted: June 16, 2015

WHEREAS, over the past 12 months, representatives of the District's health benefits consultant, Corporate Benefits Consortium, LLC ("Cobecon"), have met with members of the District's health insurance committee ("Committee") and risk manager to review the performance and cost of the Mesa County Valley School District 51 Employee Benefit Plan ("Plan"); and

WHEREAS, the Board concurs with the following Plan objectives for 2016 Plan year as identified by the Committee in connection with such review:

- Assure financial soundness of the Plan;
- Enhance Plan services offered by the Community Health Partnership ("CHP") Clinic (Grand Valley Primary Care & Canyon View);
- Reduce the Plan premium amount charged for employees with Spouse, Child, or Family coverage; and

Continue to cover the cost of single only coverage for the basePlan option (HDHP); and

WHEREAS, Cobecon recommends that the District take the following actions to encourage the use of high quality, low cost providers in order to achieve these objectives:

- 1. Retain the CHP clinic arrangement;
- 2. Continue to offer a dual option plan design, with a base high deductible health plan ("HDHP") option and a preferred provider organization ("PPO") option;
- 3. Adopt the CHP plan design to replace the current base HDHP plan option, further encouraging the use of Community Hospital of Grand Junction and its affiliated providers.
- 4. Continue to offer the PPO plan as an open access PPO plan with benefits available through any Rocky Mountain Health Plans PPO network provider, but increase deductibles and out of pocket maximums;
- 5. Continue to utilize Healthcare Blue Book for PPO plan option to drive care to low cost, high quality facilities; and
- 6. Adopt the health benefit plan designs as outlined on the attached table; and

WHEREAS, Cobecon has advised that although the CHP plan option will cause some adverse impacts in the form of lost discounts and restrictions on choice of provider, it will better position the District to achieve its 2016 Plan year objectives as identified above; and

WHEREAS, the District's administration supports Cobecon's recommendations set forth above; and

WHEREAS, the Board believes that the actions recommended by Cobecon are in the best interest of the District and its employees, and in accord with the District's responsibilities as Plan Administrator.

**NOW, THEREFORE, BE IT RESOLVED** that the Board hereby adopts the proposed CHP and PPO Plan options as outlined on the attached table for the Plan effective for the 2016 Plan year, and authorizes and directs the Superintendent take such actions on behalf of the District as necessary to:

- A. Amend or restate the Plan documents to replace the current base HDHP option provided for in the Plan with the attached CHP plan design, and conform the PPO option currently established by such Plan to the attached PPO plan design, effective for the 2016 Plan year;
- B. Implement Cobecon's other recommendations as set forth above.

I hereby certify that the information contained in the above resolution is accurate and was adopted by the Mesa County Valley School District No. 51 Board of Education on June 16, 2015.

#### **RESOLUTION NO. 14/15: 102**

A RESOLUTION AUTHORIZING THE PARTICIPATION BY THE DISTRICT IN THE STATE TREASURER'S INTEREST-FREE LOAN PROGRAM FOR COLORADO SCHOOL DISTRICTS AND BORROWING UNDER SUCH PROGRAM IN AN AGGREGATE PRINCIPAL AMOUNT UP TO \$8,000,000; ESTABLISHING THE TERMS AND PROVISIONS OF LOANS TO THE DISTRICT PURSUANT TO SUCH PROGRAM; PROVIDING FOR THE PAYMENT OF AND SECURITY FOR SUCH LOANS; AND AUTHORIZING THE EXECUTION, DELIVERY AND ACCEPTANCE OF DOCUMENTS IN CONNECTION WITH THE LOANS.

WHEREAS, this District is a school district, political subdivision and body corporate, duly organized and existing under the laws of the State (capitalized terms in these preambles shall have the meanings set forth in Section 1.02 of this Resolution, except as otherwise indicated); and

WHEREAS, the District expects to receive Taxes and other revenues for Fiscal Year 2015-16 that are to be credited to the General Fund of the District; and

WHEREAS, the District has estimated the anticipated Taxes and other revenues to be credited to the General Fund and the budgeted expenditures to be made from the General Fund in Fiscal Year 2015-16 and has concluded that cash flow management problems will occur during such period because the Taxes will not be received in time to pay the District's projected budgeted expenses; and

WHEREAS, pursuant to the Loan Program Statutes and upon approval of an application to participate, the State Treasurer is to make available to State school districts in any month of the budget year interest-free loans from the proceeds of Loan Program Notes to alleviate cash flow deficits; and

WHEREAS, no Loan can be made to the District unless the District has demonstrated, through the submission of actual or projected financial or budgetary statements required by the State Treasurer, that a General Fund cash deficit will exist for the month in which the Loan is to be made and that the District has the ability to repay the Loan by June 25, 2016; and

WHEREAS, in order to receive an interest-free Loan, the Chief Financial Officer of the District and the District Superintendent must present a request to the Board of Education to participate in the Loan Program and to have Loan Program Notes issued on its behalf, and the Board must approve or disapprove, by majority vote, the participation of the District in the Loan Program; and

WHEREAS, upon approval by the Board, the Authorized Officers must certify to the State Treasurer the aggregate amount of Loan Program Notes which are to be issued by the State Treasurer on behalf of the District and thereafter, the Board is not required to give approval for an interest-free Loan made from proceeds of the Loan Program Notes up to the Maximum Principal Amount; and WHEREAS, the Board has found and determined that participating in the Loan Program is in the best interests of the District and its residents to alleviate its cash flow deficits, and that the District should become a Participant under the Loan Program;

# **ARTICLE II**

# AUTHORIZATION TO ISSUE DISTRICT NOTE AND PARTICIPATE IN LOAN PROGRAM, GENERAL TERMS AND PROVISIONS OF THE DISTRICT NOTE AND FORM OF DISTRICT NOTE

**Section 2.01.** Authorization. The District is hereby authorized to participate in the Loan Program for Fiscal Year 2015-16. The District hereby authorizes the issuance and delivery of the District Note to the State Treasurer, in the Maximum Principal Amount, for the purpose of enabling the payment of Fiscal Year 2015-16 expenses of the District when cash flow deficits occur.

# Section 2.02. Maturity, Principal Amount and Interest on Defaulted Note.

(a) The District Note shall be issued in the form of a single note payable to the State Treasurer, the outstanding Principal Amount of which shall be equal to the Loans made by the State Treasurer to the District. The aggregate, outstanding Principal Amount evidenced by the District Note shall not exceed the Maximum Principal Amount. The Maximum Principal Amount of the District Note shall, prior to the issuance thereof, be

reduced from the amount set forth in the title to this Resolution to the maximum amount which qualifies for Loans under the Loan Program in the event that the amount set forth in the title is greater than the maximum qualifying amount.

(b) The District Note shall be dated the date of its execution in accordance with Section 2.03 hereof, shall mature on the Maturity Date, and shall bear no interest on the outstanding Principal Amount through the Maturity Date. The State Treasurer is hereby authorized to maintain records on behalf of the District which reflect the outstanding Principal Amount due under the District Note; such records shall reflect the date(s) and amount(s) of Loans to, and repayments of Loans by, the District. If the Principal Amount of the District Note is not paid in full to the State Treasurer on or prior to the Maturity Date, the District Note shall become a Defaulted Note and the unpaid portion thereof shall bear interest thereafter at the Default Rate until all amounts due under the Defaulted Note are paid in full.

(c) Both the principal of and interest (if any) on the District Note shall be payable in lawful money of the United States of America. Upon the Maturity Date of the District Note, if the Payment Obligation on the District Note has been paid in full, or upon such later date as all of the Payment Obligation has been paid in full, the State Treasurer shall mark the District Note as paid in full and shall return the District Note to the District.

# Section 2.03. Execution and Delivery.

(a) The President of the Board is hereby authorized to have control of the District Note, and all necessary records and proceedings pertaining thereto, prior to the issuance and delivery of the District Note.

(b) The District Note shall be executed on behalf of the District by the President or Vice President of the Board and attested by the Secretary or Assistant Secretary of the Board, by their manual signatures, and the official seal of the District (if any) shall be impressed or placed in facsimile thereon. Such facsimile seal (if any) on the District Note shall have the same effect as if the official seal of the District had been manually impressed upon the District Note.

(c) Subject to Section 3.01 hereof, the officers referenced in this Section shall, on or before the Closing Date, issue and deliver or cause to be delivered the District Note to the State Treasurer in exchange for the right, during Fiscal Year 2015-16, to borrow from the State Treasurer an aggregate amount not to exceed the Maximum Principal Amount. In case any officer whose signature shall appear on the District Note shall cease to be such officer before the delivery of the District Note, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

**Section 2.04. Early Repayment.** The Principal Amount of the District Note may be prepaid in whole or in part at any time prior to the Maturity Date.

**Section 2.05. Form of District Note.** The form of the District Note shall be substantially as set forth in Exhibit A to this Resolution, which is incorporated herein for all purposes, and the blanks in such form shall be filled in with appropriate amounts and information.

(b) The District agrees to provide to the State Treasurer demographic and financial information concerning the District relevant to the District's obligations under this Resolution, and authorizes the State Treasurer to provide such information, on behalf of the District, to such other parties as the State Treasurer deems necessary and in the best interests of the District in order to consummate the transactions contemplated herein and under the Loan Program. The District covenants that, with respect to the District's operations or description as of the Closing Date and as of the date provided, whether prior to or following the Closing Date, the information so provided will not contain any untrue statement of a material fact, and will not omit any material fact necessary to prevent such statements or information so provided, in light of the circumstances under which they are made, from being misleading.

(c) The Authorized Officers of the District are hereby authorized and directed to certify as to the accuracy and completeness of each District Disclosure Document in the form set forth in the District's covenant in paragraph (b) of this Section.

**Section 2.07.** No Transfer of District Note. The District Note shall be payable to and registered in the name of the State Treasurer. The District Note is not subject to transfer.

**Section 2.08.** No Joint Obligation. The Loan Program will include the issuance of notes of other Participants in addition to the District. The obligation of the District to make payments on or in respect to its District Note does not represent a joint obligation with any other Participant and is strictly limited to the Payment Obligation under this Resolution.

# **ARTICLE III**

# ISSUANCE CONDITION, LOANS AND CASH FLOW REPORTING

Section 3.01. Condition to Issuance of District Note. Following the adoption of this Resolution and prior to any Loans being requested or made, in the event that the District is notified by the State Treasurer that the District has failed to comply with the Loan Program Statutes or any administrative rules of the State Treasurer regarding the Loan Program, no Loans shall be made and the District Note shall have no legal effect.

**Section 3.02. Loans**. An aggregate amount up to but not exceeding the Maximum Principal Amount may be drawn upon and expended by the District from time to time to fund a General Fund cash flow deficit occurring during Fiscal Year 2015-16. The Authorized Officers are hereby authorized to certify to the State Treasurer the amount of the actual General Fund cash flow deficit with respect to each requested Loan. The District hereby acknowledges that the State Treasurer will disburse funds only on each Draw Down Date upon submittal, not less than the tenth Business Day of each month, of a requisition for the following three draws in the form and in the manner prescribed by the State Treasurer pursuant to the Loan Program. The Authorized

Officers are hereby authorized and directed to provide the State Treasurer with payment instructions describing how such Loan disbursement will be paid to the District.

# Section 3.03. Projected Cash Flows and Ongoing Reporting.

(a) In completing the General Fund cash flow projections attached as Exhibit B hereto, the beginning amount and the anticipated cash inflows during Fiscal Year 2015-16 include all amounts that are "available for the payment" of General Fund expenditures of the District during Fiscal Year 2015-16. Amounts held in any District funds and accounts are considered to be "available for the payment" of General Fund expenditures of the District to the extent that such amounts may be expended or used to pay such expenditure and such funds and accounts need not be reimbursed under any legislative, judicial, Board or contractual requirement. Exhibit B hereto also contains a list of funds and accounts of the District which are not "available for payment" because such funds and accounts must be reimbursed under legislative, judicial, Board or contractual requirements. In addition, expenditures from such unavailable funds and accounts are not included in the General Fund cash flow projections. The District hereby certifies that (i) in preparing the General Fund cash flow projections, the District has reviewed its General Fund cash flows for Fiscal Year 2014-15 and (ii) the District believes that the General Fund cash flow projections for Fiscal Year 2015-16 are best available estimates and are based upon reasonable assumptions.

(b) The Authorized Officers are hereby authorized and directed to notify the State Treasurer if any information comes to the attention of either individual during Fiscal Year 2015-16 which would cause the General Fund cash flow projections to be inaccurate. Updated cash flow projections shall be provided by the District to the State Treasurer as directed by the State Treasurer.

(c) If the Authorized Officers reasonably determine that, following the Closing Date, the Maximum Principal Amount will be greater than the amount the District reasonably expects that it will need to fund its cash flow deficits, the Chief Financial Officer and Superintendent shall promptly advise the State Treasurer of the amount, if any, by which the Maximum Principal Amount exceeds the amount the District reasonably expects that it will need from the Loan Program to fund cash flow deficits during Fiscal Year 2015-16.

# **ARTICLE IV**

# SECURITY FOR AND PAYMENT UNDER THE DISTRICT NOTE

**Section 4.01. Security for and Payment of the District Note**. The District Note shall be payable from and secured by a lien in the amount of the Payment Obligation on Taxes and such lien shall have priority over all other expenditures from such Taxes until the Payment Obligation shall have been paid in full. As security for the payment of the Payment Obligation, all Taxes received by the District shall be paid to the State Treasurer within one Business Day of receipt thereof until the Payment Obligation has been paid in full.

Section 4.02. Authority to Pledge and Assign Note Payments. The District authorizes the State Treasurer to pledge and assign the District Note and all or any part of the District's

obligations hereunder and under the District Note to secure the payment of the Loan Program Notes. No assignment or pledge under the preceding sentence shall ever be made or given in such manner as would cause the amount of the Payment Obligation to be greater, or to be payable at times that are different, than as expressly stated and agreed to herein.

Section 4.03. No Parity or Superior Cash Flow Obligations. Notwithstanding any other provision hereof, the District shall not issue notes or other obligations for cash flow purposes that are payable from the Taxes or Default Taxes or that are secured by a lien on the Taxes or Default Taxes that is superior to or on a parity with the lien of the District Note.

# **ARTICLE V**

# **REPRESENTATIONS AND COVENANTS**

Except as otherwise disclosed by one of the Authorized Officers to the State Treasurer as set forth in paragraph (j) of this Article, the District hereby represents and covenants as follows:

(a) The District is a political subdivision duly organized and existing under and by virtue of the laws of the State of Colorado and has all necessary power and authority to (i) adopt the Resolution, (ii) participate in the Loan Program and (iii) issue the District Note.

(b) Upon the issuance of the District Note, the District will have taken all action required to be taken by it to authorize the issuance and delivery of the District Note and the performance of its obligations thereunder, and the District has full legal right, power and authority to issue and deliver the District Note.

(c) The District will faithfully perform at all times any and all covenants, undertakings, stipulations, and provisions contained in this Resolution and in the District Note. The District will promptly pay or cause to be paid the principal of and interest (if any) on the District Note when due and at the place and manner prescribed herein.

(d) The District is duly authorized under the laws of the State of Colorado to issue the District Note; all action prerequisite to the lawful issuance and delivery of the District Note has been duly and effectively taken; and the District Note and this Resolution are and will be legal, valid and enforceable obligations of the District, enforceable against the District in accordance with their respective terms.

(e) Proper officers of the District charged with the responsibility of issuing the District Note are hereby directed to make, execute and deliver certifications as to facts, estimates and circumstances in existence as of the Closing Date and stating whether there are any facts, estimates or circumstances that would materially change the District's current expectations.

(f) After the discovery by the District of any Event of Default or Default hereunder, the District will, as soon as possible and in any event within two Business Days after such discovery by the District, furnish to the State Treasurer a certificate of one of the Authorized Officers of the District setting forth the details of such Event of Default or Default and the action which the District proposes to take with respect thereto. (g) The District will deliver to the State Treasurer: (i) such financial data as the State Treasurer may reasonably request (including, without limitation, any information relating to Taxes, expenses, other revenues, available funds, tax rolls, financial statements, budget and cash flow), and (ii) if requested, copies of the District's audited year-end financial statements, budgets, official statements and similar information issued by it to the public. The District will permit the State Treasurer, or any person designated by the State Treasurer in writing, at the expense of the District and make copies thereof or extracts therefrom, and to discuss the affairs, finances and accounts of the District with any officer or employee of the District, all at such reasonable times and as often as the State Treasurer or such designated person may reasonably request.

(h) The District will not make, or permit to be made, any use of the proceeds of the Loan, or of any moneys treated as proceeds of the Loan within the meaning of the Code, or take, permit to be taken, or fail to take any action, which would adversely affect the exclusion from gross income of the interest on the Loan Program Notes by the holders or owners thereof under Section 103 of the Code.

(i) Except as otherwise provided pursuant to paragraph (j) of this Article, all representations and recitals contained in this Resolution are true and correct, and that the District and its appropriate officials have duly taken, or will take, all proceedings necessary to be taken by them (if any) for the levy, receipt, collection and enforcement of the Taxes available for the payment of its District Note in accordance with law for carrying out the provisions of this Resolution and the District Note.

(j) The following representations are true and correct unless, prior to the Closing Date, one of the Authorized Officers of the District notify the State Treasurer in writing to the contrary:

(i) Neither the issuance of the District Note, nor the fulfillment of or compliance with the terms and conditions hereof, nor the consummation of the transactions contemplated hereby, conflicts with, results in a breach of or violates any of the terms, conditions, or provisions of any law, regulation, court decree, resolution, agreement or instrument to which the District is subject or by which the District is bound, or constitutes a default under any of the foregoing.

(ii) The District has experienced an ad valorem property tax collection rate of not less than 90% of the aggregate amount of ad valorem property taxes levied within the District in each of the most recent three Fiscal Years, and the District, as of the date of adoption of this Resolution and on the date of issuance of the District Note, reasonably expects to collect at least 90% of such amount for Fiscal Year 2015-16.

(iii) The District has not defaulted within the past five years, and is not currently in default, on any debt or material financial obligation.

(iv) The District's most recent audited financial statements present fairly the financial condition of the District as of the date thereof and the results of operation for the period covered thereby. Except as has been disclosed to the State Treasurer, there has been no change in the financial condition of the District since the date of such audited financial statements that will in the reasonable opinion of the District materially impair its ability to perform its obligations under this Resolution and the District Note.

(v) The District Disclosure Documents, other disclosures by the District pursuant to Section 2.06 hereof, and cash flow projections and ongoing reports pursuant to Section 3.03 hereof, have been and will be prepared consistent with generally accepted accounting principles as applicable to governmental entities. Further, the District's budget and financial accounting policies and procedures are in compliance with State law, including but not limited to, Title 22, Articles 44 and 45, of the Colorado Revised Statutes.

(vi) There is no action, suit, proceeding, inquiry or investigation at law or in equity, before or by any court, arbitrator, governmental or other board, body or official, pending or, to the best knowledge of the District, threatened against or affecting the District questioning the validity of any proceeding taken or to be taken by the District in connection with the District Note or this Resolution, or seeking to prohibit, restrain or enjoin the execution, delivery or performance by the District of any of the foregoing, or where an unfavorable decision, ruling or finding would have a materially adverse effect on the District's financial condition or results of operations or on the ability of the District to conduct its activities as presently conducted or as proposed or contemplated to be conducted, or would materially adversely affect the validity or enforceability of, or the authority or ability of the District to perform its obligations under, the District Note or this Resolution.

### **ARTICLE VI**

#### **DEFAULTS AND REMEDIES**

#### Section 6.01. Defaults and Remedies.

(a) The occurrence of any of the following shall be an "Event of Default" with respect to the District Note and this Resolution:

(i) a failure by the District to pay the Principal Amount in full under the District Note on or before the Maturity Date;

(ii) the default by the District in the performance or observance of any covenant, agreement or obligation of the District under this Resolution (other than subparagraph (a)(i) of this Section) and the failure to cure such default within 10 days after the earlier of the date that (A) the District furnishes notice of a default or (B) the District receives written notice of default from the State Treasurer;

(iii) Other than as provided in paragraph (j) of Article V herein, any warranty, representation or other statement by or on behalf of the District contained in this Resolution or in any certificate, requisition, report or any other instrument furnished in compliance with or in reference to this Resolution or the District Note is false or misleading in any material respect; or

(iv) the District shall (A) apply for or consent to the appointment of a receiver, trustee, liquidator or custodian or the like of itself or of its property,(B) admit in writing its inability to pay its debts generally as they become due,(C) make a general assignment for the benefit of creditors, or (D) be adjudicated as bankrupt or insolvent.

(b) If an Event of Default has occurred and is continuing pursuant to subparagraph 6.01(a)(i), the statutory remedy of the State Treasurer is to notify the County Treasurer that the District is in default on its obligation to pay its Payment Obligation and the amount of the Payment Obligation. Pursuant to the Loan Program Statutes, the County Treasurer thereafter shall withhold any Default Taxes to be received by the District and in the possession of the County Treasurer in the amount of such unpaid Payment Obligation, and transmit such moneys to the State Treasurer. If the amount of Default Taxes to be received by the District and in the possession of the County Treasurer at the time such notice is given is less than the amount of the Payment Obligation, the County Treasurer shall withhold additional Default Taxes to be received by the District and in the possession of the County Treasurer until such time as the Payment Obligation has been paid to the State Treasurer in full.

(c) Upon the occurrence of any Event of Default, the State Treasurer may take any action at law or in equity to enforce the performance or observance of any other obligation, agreement or covenant of the District, and to enforce the levy, liens, pledges and security interests granted or created under this Resolution. No remedy herein conferred upon or reserved to the State Treasurer is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and in addition to every other remedy given hereunder or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power occurring upon any default shall impair any such right or power or be construed to be a waiver thereof, and all such rights and powers may be exercised as often as may be deemed expedient.

**Section 6.02. Limitation on Waivers.** If this Resolution is breached by the District and such breach is waived, such waiver shall be limited to the particular breach so waived and shall not be deemed a waiver of any other breach hereunder.

# **ARTICLE VII**

# AUTHORIZATION OF ADDITIONAL ACTIONS

The Superintendent of the District and the Chief Financial Officer of the District are hereby designated as Authorized Officers under this Resolution, and they, each of the officers of the Board or any of them are authorized to take any and all action necessary to carry out and consummate the transactions described in or contemplated by the instruments approved hereby or otherwise to give effect to the actions authorized hereby and the intent hereof. Such authority shall include the authority to submit an application to participate in the Loan Program to the State Treasurer and to certify to the accuracy and completeness of any materials and information regarding this District that may be used or useful in enabling the State Treasurer to obtain a credit rating on the Loan Program Notes or in the marketing of the Loan Program Notes. If any officer, official or employee of the District whose signature shall appear on any certificate, document or other instrument shall cease to be such officer following the execution of, but prior to the delivery of, such certificate,

document or other instrument, such signature shall nevertheless be valid and sufficient for all purposes as if such officer had remained in such office.

# **ARTICLE VIII**

# **PROVISIONS OF GENERAL APPLICATION**

Section 8.01. Amendments. This Resolution may be amended only with the written consent of the State Treasurer.

**Section 8.02. Preservation and Inspection of Documents**. All documents received by the State Treasurer or the District under the provisions of this Resolution shall be retained in their respective possessions and shall be subject at all reasonable times to the inspection of the other parties hereto and their assigns, agents and representatives, and of whom may make copies thereof.

**Section 8.03. Parties in Interest.** Nothing in this Resolution, expressed or implied, is intended to or shall be construed to confer upon or to give to any person or party, other than the State Treasurer as the sole owner of the District Note any rights, remedies or claims under or by reason of this Resolution or any covenant, condition or stipulation hereof; and all covenants, stipulations, promises and agreements in this Resolution shall be for the sole and exclusive benefit of such parties as third party beneficiaries.

Section 8.04. No Recourse Against Officers. All covenants, stipulations, promises, agreements and obligations contained in this Resolution shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the parties hereto, respectively, in their corporate capacities, and not of any member of the board of education, officer, employee or agent of the parties hereto in an individual capacity, and no recourse shall be had for the payment of the District's Payment Obligation or for any claim based thereon or under this Resolution against any member, officer, employee or agent of the parties hereto, provided such individual is acting within the scope of their employment or trusteeship and without gross negligence, willful misconduct or malfeasance of office.

Section 8.05. Proceedings Constitute Contract. The provisions of the District Note and of this Resolution shall constitute a contract between the District and the State Treasurer, and such provisions shall be enforceable by mandamus or any other appropriate suit, action or proceeding at law or in equity in any court of competent jurisdiction, and shall be irrepealable until the Payment Obligation is paid in full.

**Section 8.06. Limited Liability**. Notwithstanding anything to the contrary contained herein, in the District Note or in any other document mentioned herein or related to the District Note, the District shall not have any liability hereunder or by reason hereof or in connection with the transactions contemplated hereby except to the extent of its Payment Obligation with respect to the District Note and to the extent of any liability incurred by the State, including without limitation rebate requirements attributable to the Loan Program Notes, as a direct consequence of the District's fraud or gross negligence in preparing or presenting its financial statements or District Disclosure Documents.

Section 8.07. Severability. If any one or more of the covenants, stipulations, promises, agreements or obligations provided in this Resolution should be determined by a court of

competent jurisdiction to be contrary to law, then such covenant, stipulation, promise, agreement or obligation shall be deemed and construed to be severable from the remaining covenants, stipulations, promises, agreements and obligations herein contained and shall in no way affect the validity of the other provisions of this Resolution.

**Section 8.08. Headings**. Any headings preceding the text of the several articles and sections hereof, and any table of contents or marginal note appended to copies hereof, shall be solely for convenience of reference and shall not constitute a part of this Resolution, nor shall they affect its meaning, construction or effect.

**Section 8.09.** Authorized Officers. Whenever under the provisions of this Resolution the approval of the District is required or the District is required to take some action, such approval or such request may be given for the District by the Authorized Officers of the District, and the State Treasurer shall be authorized to rely upon any such approval or request.

**Section 8.10. Effective Date**. This Resolution shall be in force and effect from and after its passage on the date shown below.
