Regular Biennial School Election**

Board of Education Resolution: 15/16: 06

Adopted: August 18, 2015

WHEREAS, the Board of Education desires to hold the District's regular biennial school election on November 3, 2015; and

WHEREAS, section 22-31-103(2), C.R.S., states:

The board of education of any school district may contract with the county clerk and recorder for the administration of any of the duties of the board, its secretary, or the designated election official relating to the conduct of any school election. The election shall be conducted by the county clerk and recorder if the county clerk and recorder is conducting a coordinated election pursuant to section 1-7-116, C.R.S.

And

WHEREAS, section 1-7-116, C.R.S., provides, in pertinent part:

(1) If more than one political subdivision holds an election on the same day in November and the eligible electors for each such election are the same or the boundaries overlap, *the county clerk and recorder shall be the coordinated election official and shall conduct the elections on behalf of all political subdivisions* that are not utilizing the mail ballot procedure set forth in sections 1-7.5-101 to 1-7.5-112. As used in this subsection (1), "political subdivision" shall include the state, counties, municipalities, *school districts*, and special districts formed pursuant to title 32, C.R.S.

(2) The political subdivisions for which the county clerk and recorder will conduct the coordinated election *shall enter into an agreement with the county clerk and recorder* for the county or counties in which the political subdivision is located concerning the conduct of the coordinated election. The agreement shall be signed no later than seventy days prior to the scheduled election (August 25, 2015). The agreement shall include but not be limited to the following:

(a) Allocation of the responsibilities between the county clerk and recorder and the political subdivisions for the preparation and conduct of the coordinated election; and

(b) Provision for a reasonable sharing of the actual cost of the coordinated election among the county and the political subdivisions. For such purpose, political subdivisions are not responsible for sharing any portion of the usual costs of maintaining the office of the county clerk and recorder, including but not limited to overhead costs and personal services costs of permanent employees, except for such costs that are shown to be directly

attributable to conducting coordinated elections on behalf of political subdivisions. *** [Emphasis supplied]

And

WHEREAS, the Mesa County Clerk and Recorder has submitted to the District a proposed agreement (“Intergovernmental Agreement”) governing the scheduling and conduct of the coordinated election by mail ballot on November 3, 2015; and

WHEREAS, the Intergovernmental Agreement provides for the inclusion of the District’s regular biennial school election as a part of the coordinated election by mail ballot would be in the District’s best interest, provided certain minor corrections in the language of the Agreement are made as recommended by the District’s legal counsel and approved by the District’s COO.

NOW, THEREFORE, BE IT RESOLVED, that the Superintendent and Secretary be and are hereby authorized and directed to finalize and execute, on the Board’s behalf, as soon as the final edits have been made as recommended by the District’s legal counsel and District’s COO to place the Intergovernmental Agreement in final form.
