*We're excited to continue our partnership with Colorado State University's Extension, the Community Alliance for Education and Hunger Relief, to bring K-12 STEM Education to D51!*

The Community Alliance for Education and Hunger Relief provides learners of all ages the opportunity to get their hands dirty on the farm and contribute to the community. D51 third graders planted over 7000 seedlings and seeds.

They came back as fourth graders and harvested the food to share with area food banks and school cafeterias.
