K-5 Supply List

Dear Gateway Families,

For the 2019-2020 school year, instead of asking families to purchase school supplies from a supply list, we are asking for a flat fee of \$20 per student. The actual cost of student supplies placed on the list in the past has totaled much more than \$20. The teachers at each grade level will use the money to purchase classroom supplies and student materials for the entire year at reduced prices. The student is responsible for their own backpack and the teachers will supply the rest of the materials. We hope that this will save our families time and money during a time when resources are so limited for everyone. If you have any questions or concerns, please contact the office for more information.

Sincerely,

Gateway School
