COVIDCheck Colorado is offering FREE COVID-19 drive-through community testing at Colorado Mesa University in Grand Junction, Monday-Friday from 4-5:30pm.

Where is the test site?
The campus testing site is located in the Bunting Hall parking lot (1280 Cannell Avenue). Please enter the parking lot from Cannell Avenue or Bunting Avenue, there will be directional signage to guide you to the testing site location. Drive-thru and walk-up lanes are available. When you arrive at your test time, please have your testing confirmation readily available.

How do I register for testing ?
To ensure the most efficient testing experience, register ahead of time https://www.primarybio.com/l/cdphe.You do not have to have an appointment, but pre-registration is encouraged. On the day of your appointment, please arrive wearing your mask.

What kind of test will I get?
COVIDCheck Colorado uses PCR tests, which are highly sensitive and reliable. You will be asked to provide a nasal specimen sample, obtained by swabbing the inside of the front of both nostrils. In most cases, a medical professional will show you how to swab the inside of each of

your nostrils yourself and will watch to make sure you collect the specimen correctly to ensure viable samples for testing.

How long does it take to get my results?
Test results will be returned to participants in 72 hours or less. Depending on the contact information you provided during registration, you will receive a text message and/or email alert from PrimaryBio when your results are available. If providing a phone number, please provide a personal number (preferably cell phone). Should you notice that your results are delayed, please contact support@covidcheckcolorado.org.

Who else receives my results?
Your results are shared with public health as required per law. If you test positive, someone from public health will call you to perform contact tracing, and exercise to help determine who you may have had close contact with and potentially exposed. In addition, COVIDCheck Colorado provides anyone who receives a positive or inconclusive with a free telemedicine exam performed by CCC's partner organizations, Clinica Colorado and Care on Location within 24 hours of receiving your result.
